Mr. William Casey  
Director, Central Intelligence  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Casey:

As you are aware John McMahon could not appear as our guest speaker at the SASA Convention Banquet on the evening of 20 April 1983. This turn of events was, of course, a great disappointment to many but understood by all. Moreover the disappointment was most admirably offset by the superb presentation by [redacted] substituted for John and as you would expect, performed with a distinction which reflected most favorably on Central Intelligence. The audience loved him!

Many, many thanks from our entire membership for permitting [redacted] to be with us at such a trying time.
